There's a ...Tales of bad shops are a woodworker's war stories. After living in five houses in seven years, I have plenty of them to tell: ladders under closeted trapdoors that descended into windowless basements, ceilings that were only an inch taller than I am when I stand barefoot, abandoned radiators, waspTo make a simple square or rectangular frame, cabinet, box or drawer, using butt joints is very easy. Butt joints can be used in a lot of different ways to join two boards or panels: edge to edge, end to side, end to edge, etc. For example, to make a simple picture frame, cut four parts, each with aDust Collection, Safety and Plant Operation.
