Colloquial Japanese The Complete Course for Beginners Second edition Hugh Clarke and Motoko Hamamura
Danish West Indies. From 1905 to 1917, the Danish West Indies used the bit as part of its currency system. In 1904, two new currency denominations were introduced, the bit and francs which were overlaid on the old cent and daler denominations.
Danish and Norwegian Bokmål (the most common standard form of written Norwegian) are both descended from the Old Norse, the common ancestor of all North Germanic languages spoken today.
plural of mu·(card games) A traditional Basque card game.
