

# Download Comic Book Creator Information

The Comic Creator is an interactive tool that invites students to compose their own comic strips for a variety of contexts. Kindle Comic Creator is a free tool for authors and publishers to turn their comics, graphic novels and manga into Kindle books. Kindle Comic Creator makes it easy for authors and publishers to import artwork, create their preferred customer reading experience and preview how their book will look on Kindle devices. Enter your mobile number or email address below and we'll send you a link to download the free Kindle App. Then you can start reading Kindle books on your smartphone, tablet, or computer - no Kindle device required. New to the site? ComicBookDB.com is the fastest-growing comic database on the web. The first goal of this project is to catalog every comic, graphic novel, manga, creator, character and anything else that could relate to the field of comics.
